Competitive Assistance Allowances are specific fleet incentives that can be used to reduce the purchase price of your vehicle. These incentives **cannot** be combined with retail programs, and they are **not** available if the Active Member claims allowances under its own Fleet Account Number (FAN). Vehicles purchased using this Competitive Assistance program can be leased through Independent Leasing Companies (ask your dealer or GM Fleet Account Manager for names of Independent Leasing companies

in your area). For vehicle lines not listed here, there are Basic Fleet programs available for which you are eligible.

** Allowance and available models are subject to change. Contact CRCA or your GM dealer for most up to date information.
